THE BAND

Sonic Kingdom are a Devon Based Band made up of musicians with years of experience who love to play live! We have played the main stages at Looe Festival and BMAD as well as many smaller venues.

We don't do PINK AND FLUFFY – WE DO REAL!!

A fresh, exciting sound with hard hitting Rock riffs with melodic undertones and thought-provoking lyrics.

We transfer life experiences into songs which pull at your heart strings and challenge the mind.

We are original in our approach and only play our own material.

Our goal is to play at Glastonbury!

Recording for the next album is currently under way.

Debut album out soon.

Who are we?

Kelvin Halloran - Guitar, Lead Vocals

Val Pandov - Lead Guitar

Pete Grundmann-Dodge - Bass Guitar

John Millington - Drums/Perussion

BIO

About us

Kelvin Halloran

He Started writing his own songs about 10 years ago. As a full time carer for his 2 disabled sons it meant all his energy was taken up looking after them. One day he decided to buy a guitar and wrote a song called "Always". He sang the song at his mates wedding and it was very well received. It Got him thinking that perhaps he could write music. He has written over 40 tracks to date.

Val Pandov

Bulgarian born.

Likes jazz, funk, prog, rock, heavy metal, alternative & classical music.

He has played in :-

Symphony Instrumental Rock band, Brothers in Arms blues, Zona, Agent, Michaela Rock Band and Deja Vu, Solo Jazz Rock project TRJ, Integra, Valitchy and Sonic Kingdom.

Pete Grundmann-Dodge

Has played Guitar and Bass for many years.

Influences are indie music right through to extreme metal.

Also guitarist for death metal band Cachexic.

John Millington

Influences include Jazz, Funk and Motown giving a slight swing to his style. Got his first drum kit at the age of 12 after declaring war on mothers pots, pans and knitting needles for several years!

Regular lessons from Terry Speticue, a drummer with years of experience who taught him to play all styles of music.

At the age of 15 he joined his first covers rock band and caught the bug!

He has played throughout the uk and Europe with many bands.
